

“Endowed by Their Creator”

A Collection of Historic American Military Prayers 1774-Present

Dedication

We offer this historical case for prayer and the accompanying collection of historic military prayers as hundreds of years of evidence for the necessity of leader-led and chaplain led prayer in America’s Armed Forces. May prayer continue to preserve the character of America, providing “liberty and justice for all” and peace and prosperity in our sweet land of the free and home of the brave. In humble gratitude we dedicate this book and honor those whose service and sacrifice has maintained America’s Spirit and Liberty since her founding.
